Essex County Council

Niomi Roberts, Trainee Teacher says:

We use Cool Milk because:

“ They make it so easy for us to provide the children with a healthy and nutritious drink which supports our healthy schools status. ”

We believe school milk is important because:

“ It aids our children in achieving their personal best as milk has been proven to enhance concentration and creativity. It also helps to build a strong immune system so the children are fighting fit and ready to attend school and work towards a high attendance record. ”
