

ST ANDREW'S NURSERY

DUMFRIES

Joined Cool Milk: April 2010

Number of Drinkers: 21

Fiona Douglas, Senior Leader/Manager says:

We use the 'Early Years Scotland' Cool Milk scheme because:

"The milk arrives at your door, so no more having to make long journeys to the supermarket in the morning. There's also no paperwork, so it's simple."

We provide free milk at our nursery because:

"It provides a good healthy start to life - it provides calcium, helps growth and is full of nutrition."

→ Run a hassle-free Cool Milk scheme at your setting... ←

"Cool Milk has been a wonderfully reliable supplier of milk for many years and as their Medical Advisor I know that they can help nurseries and pre-schools manage the burden of milk provision which remains more necessary than ever for our young children today."

Dr Hilary Jones
GP, Breakfast TV Health
Editor and Medical Advisor
