Milk Monitor scheme: Our children take it in turns to act as Milk Monitors, giving them a sense of responsibility

Margaret Emmett, School Secretary says:

We use Cool Milk because:

“ School milk is now one less job for the school office, allowing us to prioritise our time elsewhere. The drinking lists are helpful and have reduced school milk administration. The scheme is very popular with parents as they can pay using a number of different payment methods. ”

We offer school milk because:

“ It is a valuable part of our Healthy School programme, and is an important part of children's diet. It is particularly suited to our younger pupils, who are at a critical stage of their development. ”
