William Lilley Infant And Nursery School

Area: Nottinghamshire

Number of Drinkers: 172

Sandra Mayo, Office Manager says:

Why milk is important to our school:

“ As a school that has achieved National Healthy School Status we feel it is important to remind children of the value of milk when drunk on a daily basis. ”

Why we use cool milk:

“ Cool Milk offer a hassle free service for our school office and a friendly Customer Service Team who are always willing to iron out any hitches. We also take part in the Cool Milk ‘milk monitor’ scheme where each class have their own milk monitors who give out milk to those registered. This helps to give the children a sense of responsibility. ”
