

# Our Cool Milk scheme...

## Aylburton C of E Primary School

**Joined Cool Milk:** 2002

**No. of drinkers:** 54

**Healthy School Status:** Achieved in 2006; have nearly achieved 'Healthy School Plus'

**Milk Monitor Scheme:** Two children act as Milk Monitors each term

### Pam Bendall, School Milk Coordinator says:

“ We believe school milk is important because:

It is a healthy and nutritious drink, promoting strong teeth and bones from its calcium content. It is also an ideal mid-morning snack to keep the children's energy levels up until lunchtime. The children really enjoy their milk, especially as it is served chilled every day having been stored in the fridge supplied by Cool Milk. ”

“ We use Cool Milk because:

It is a very easy system for providing school milk to our pupils. There is minimal administration and deliveries are always very reliable. The Cool Milk team is very easy to contact and helpful whenever we have any queries. It is also so nice to reward our Milk Monitors with certificates and badges at the end of each term. ”
