

Our Cool Milk scheme...

St. Saviour's CE Infant and Nursery School

Joined Cool Milk: 2003

No. of drinkers: 210

Healthy Schools Status: Achieved in January 2011

Margaret Wittich, PSHE subject leader says:

We believe school milk is important because:

“ At St Saviour's we encourage all of the children to eat a healthy balanced diet, and we use school milk to explain the health benefits of drinking milk daily. Our target is to improve the children's attendance and we stress to them the importance of eating well to stay healthy. School milk also forms part of the Healthy Schools award, and in our recent OFSTED report we were awarded an 'Outstanding' mark for promoting a healthy lifestyle. ”

We use Cool Milk because:

“ There is no administration involved for the school. Parents can register and pay online which makes it easy for them too. Cool Milk also provided a fridge so that the milk can be stored and served at the appropriate temperature. ”
