Glenda Profit, P.A. to Headteacher/Systems Co-ordinator says:

We use Cool Milk because:

“ They offer an excellent, reliable service - their helpline is great if we ever have any queries. ”

We believe school milk is important because:

“ It is an essential part of our children's day. Not only is school milk nutritious and helps to build strong bones, it also provides an essential boost after break-time when energy levels begin to drop. ”

Our Milk Monitor scheme:

“ Our Year 6 children collect the milk each morning with a Teaching Assistant. They then hand it out to classes at break-time using the drinking lists provided. ”
